EXPERIENCE

ServiceNow Technical Consultant trainee at Devoteam

2022-2022

I started my career at ServiceNow as an intern, where I helped with the upgrade of several customers, specializing in requirements gathering and maintenance and evolutionary management.

ServiceNow Technical Consultant at Devoteam

2022- PRESENT

Continue as a consultant where I helped in a fixed way to two clients, helping mainly in the ITSM part and helping in other modules such as SPM, BCM and HAM.
